Portfolio [Notion Portfolio](#)

I am an Information Systems student skilled at multitasking with strong communication abilities, developed through participation in various volunteer programs. I have experience leading group projects and I am equally comfortable working independently or as part of a team. I am fluent in Arabic and English, with an intermediate level of Japanese. I am enthusiastic about expanding my knowledge in information technology and gaining practical experience in software development, data analysis, and project management.

EDUCATION

- 2022 - 2026** University of Bahrain (UOB), College of Information Technology (IT) — BSc Information Systems
